This vigorous temperance movement in the South is one of the marked phenomena of this pauperfied, with nearly a million ignorant tyranny half so odious as this. voters thrust upon them, should rise superior to every hindrance, establish good order and It is the abuse, not the use, of power that on and entered laws in which the North had it. He condemns it, because he knows brings destruction to organization and re-pels public support. failed, shows a capacity for self-government it is dangerous to the organization which he wishes to make a useful agent in bet-A Canadran militia captain who always made it a failure, is perhaps due to.

The spirit of the boycott showing litself caught the rheumatism in the expedition these causes that nearly one third of the in obstruction to the operation of railagainst Riel has been given a pension of Northerners live in cities, while so odd per roads, has been denounced by public \$1000 a year for life. We are glad to cent of the Southerners live in the country meetings at Sherman, Dallas, Big Springs that the South has less than a million foreignrs, while the North has six n titions, and that and elsewhere along the lines of the the South has been chastened and made roads effected. These denunciations carnest by defeat, while the North has been breathe an unspoken feeling that is growmade arrogant by victory.

SETTLE THE CONTEST.

As if anybody were credulous enough to speedy settlement of the strike, if the warns them against. When they have believe that Geronimo will be such a fool news from New Orleans in yesterday's lost public sympathy they have lost more as to surrender when he knows that he GAZETTE by Associated Press be reliable. than they can make up for by boycotts is sure to be hanged for his brutal mur- If this be so, acts of vandalism and in- and strikes. They are, to quote again temperate discussion can only complicate from their leader, "sapping and under WE are looking forward with some im- and retard the settlement. Public opinion mining their strength by extreme depatience to the comments of the Pacific is rapidly crystallaing against lawless- mands and unreasonable assumptions of coast papers upon the act of that Missis- bess, and the settlement cannot come too importance and power," and if they do slppl mob who murdered a court-house soon. Displaced rails, burnt bridges, not change tactics the danger against full of negroes. The editorial tone of erlippied engines and destroyed culverts which they are warned will overtake condemnation will be very severe, even age welding popular sympathy for the them and their order. if some naws of the expulsion of Chinese law and, whether due to strikers or not, should be crowded out to make room for they are held responsible. The hour for it. That was a regular Rock Springs settlement has come for public sentiment s not to be mistaken, and it would be in, excusable in intelligent, conservative THE secretary of the treasury, in his Knights of Labor to misread the signs of estimates of necessary appropriations the times. The cause of the railroads is for river and harbor work in Texas, asks dally becoming more and more the cause that \$1,000,000 be allowed to Sabine of the public, and if Knights Pass. Gen Newton, the government en- of Labor would seek for the

a third as much, the ghost of Lafitte will sace of popular sentiment. The public may be slow, but when it speaks, its voice is irresistible. If the ship upon WILLIAM WALTER PHELPS, a Repub. which the hopes of labor are freighted lican statesman of New Jersey who won has Jonahs on board, let them be dumped some potoricty in the last campaign as into the sea, if the organization would the bosom friend of Blaine, is taking an live. If there has been a mistake, let it interest in Texas harbor matters. He is be rectified. If the Knights of Labor do not for Sabine, Galveston or Aransas, but not indocse vandalism, let them disown advocates the claims of Velasco, where it it. Now is the time for the men of is said a channel can be secured and thought, of intelligence and patriotism maintained for \$300,000. If proper among the Knights, who are fitted to lead, guarantees are made that this will be to seize the reins and, inspired by the done, congress will very likely raise the moral courage essential to leadership, to do that thing which would be right, and thus strengthen their order by capturing The committee investigating the un-public sentiment. Victory or defeat in fathomable corruption of the New York defiance of popular sympathy is final

it is learned that the evidence taken is DANGEROUS ABUSE OF POWER. Grand Master Workman Powderly, the the postoffice stands upon land ceded to head of the Knights of Labor organizathe United States, and the state courts tion, said some things in a recent talk cargo consisted of 240 bales of cotton and have no jurisdiction over it. If that is that ought to set his followers thinking. correct law, it follows that if a murder speaking of the Knights of Lawer and is done in the postoffice building the their fondness for Loycotts, he said: "It (the order, cannot afford to fritter itself away upon every little pretense of wrong, hastly formulated and piggishly insisted upon. The growth of the power of labor should be an occasion for calm deliberation. The workingmen should be careful to see to it that they do not sap

and undermine their strength by extreme demands and unreasonable assumptions is dangerous to above this power," Dangerous to whom? To the Knights

Mr. Powderly means that it is dangerous to his order. He says that the order "cannot afford to fritter itself away upon every little pretense of wrong, THE Chicago Tribune suggests that "it hastly formulated and piggishly insisted is barely possible that Michigan grangers, upon." There is danger in such ill-adas has been reported, will join with the vised action, for it perils the coherence Knights of Labor in a political organiza- and integrity of the order. As long as tion, but it is unlikely. Imagine the con. the power of the Knights is not abused, the dition of the farmer who should adopt public is with them in any reasonthe eight-hour system in his work. He able demand. As long as their would make a sorry showing compared action is set upon reasonable ground, farmer works for himself and not for others. He is a capitalist, though not on a large scale. The laws which might be sons-fide oirculation of any daily fring himself by showing that he refused may say little, but they begin to doubt;

tach their names to all matter sent The things would not be done that are done Knights of Labor has not been violently abused here in Texas? Boycotts have been ordered upon the most flimsy pre-A question: When Smith is boycotted texts, "hastily formulated and piggishly to force Jones to measures, will Smith insisted upon." Newspapers have been become a sympathizer with his boycot- boycotted for using the ilberty which Correspondents are instructed not to ters or their enemy? The principle of their national and state constitutions initially opinions in their news reports. the boycott is manifest in each man, for guarantee them, of criticising the wisdom If they desire to express opinions they each of us refuse to patronize an obnox- of action of the Knights. Merchants are can do so in separate letter, as the news lous person. That is the legal right of boycotted for buying their goods where columns of the paper will hereafter be every man and of every organization of they can get them to the best advantage, men; but when we say to a third and an and other merchants are put under the weeded of all such expressions.
